

## Market Notice

### **Duratex donates nearly R\$ 10.0 million to combat the effects of COVID-19 in Brazil**

DURATEX SA (“Duratex” or “Company”) communicates to its shareholders, stakeholders and the market in general, that with the objective of contributing and supporting society and, especially, the communities where it is inserted in the fight against the coronavirus pandemic (COVID -19), the Company donated nearly R\$ 10.0 million to public hospitals and health-related agencies.

It is important to note that among the donations made, R\$ 1.0 million were donated to the Matchfunding Salvando Vidas initiative, promoted by BNDES, and R\$ 5.0 million to Todos pela Saúde program, an alliance promoted by Itaú Unibanco Holding SA against COVID-19, whose resources are managed by a group of specialists from different health sectors (more details are available on the website <https://www.todospelasaude.org/>).

In addition, donations of products from the group's brands and personal hygiene items were made to the field hospitals of Pacaembu (SP), Ibirapuera (SP), Anhembi (SP), Heliópolis (SP) and to the new field Hospital, located at Expominas (MG). Donations were also made for the construction of the new area attached to the M'Boi Mirim Dr. Moysés Deutsch Communal Hospital (SP), for the Pia do Bem Project (RJ), São José Taquari Hospital (RG) and for the Universitário Osvaldo Cruz Hospital (PE).

The safety of its employees and the communities where it operates has been Duratex's priority in the fight against this pandemic, thus seeking to be an active part of the solution to this severe crisis.

São Paulo (SP), May 25, 2020.
