

Notice to the market

DURATEX S.A. (“Duratex” or “Company”) hereby informs its shareholders and the market in general that yesterday, November 9th, 2020, occurred a fire in the chip silo of its wood panel unit located in Agudos (SP). The fire was promptly combated by the unit's security team with support from local companies and the fire department of Agudos and Bauru. The Company informs that there were no injuries.

The causes of the fire are being evaluated, the forecast is that it will take up to 4 days to return from operations, most of the impacts will be compensated with the rescheduling of technical stops already scheduled for the next 45 days, thus mitigating the effects of the accident still in the 4th quarter. With these efforts it is expected not to impact customer service terms. It is worth mentioning, that Duratex has coverage by fire insurance policy that will be triggered in case of need.

Duratex reinforces that all care for the safety of its employees is being taken and is grateful for the readiness and hard work of everyone involved in fighting and controlling the fire.

São Paulo (SP), November 10th, 2020.
