MARKET NOTICE

DURATEX INTEGRATES THE CORPORATE SUSTAINABILITY INDEX (ISE) FOR THE 13TH YEAR IN A ROW

DURATEX S.A. (“Duratex” or “Company”) is pleased to inform its shareholders and the market in general that, for the 13th year in a row, the shares of the Company have been selected as components of B3’s Corporate Sustainability Index, ISE. Duratex shares, which have been components of the index since 2008/2009 edition, are included in the new portfolio that will take place in January 4th, 2021 to December 30th, 2021.

In its 16th edition, ISE represents the return of a portfolio made up of Companies with the best performance in several dimensions that measure Corporate Sustainability. Companies that stand out for their social, environmental and economic aspects integrate the index. Moreover, it was incorporated aspects regarding corporate governance, business model and nature of the products.

The recurring inclusion of Duratex in the index reflects our commitment to a sustainable management of our operations and to generating shared value for our shareholders and stakeholders.
